

TOWN OF TRAYTOWN PUBLIC NOTICE

COVID-19 PRECAUTIONS

Dear Traytown Residents,

As the COVID-19 outbreak progresses, we want to ensure our staff, contractors and all of you remain safe while we make the effort to continue municipal services. We ask that all residents adhere to the following guidelines.

- Please ensure garbage bags are tied closed. Any bags that are torn or left open will not be picked up by our contractor.
- If you are experiencing cold or flu like symptoms and you are using disposable tissues and wipes, please think about how you dispose of them. Please put them in a smaller bag before putting them in your garbage bag, essentially double bagging. Also please do not flush disposable wipes into the sewer system.
- If you are in self-isolation or quarantine, please do not put your garbage out for collection until after you finish isolating.
- The Town Office is now closed to public access until further notice. If you wish to communicate with the Town Clerk, please phone 533-2156 or email townoftraytown@eastlink.ca. If she is not available at that time, please leave a message and your call will be returned.
- If you wish to pay your tax bill, you can do so by sending a cheque or postal money order to Town of Traytown, 1 Poplar Lane, Traytown A0G 4K0.

We thank all residents for your cooperation during this unprecedented time. We want to ensure your safety and that of our staff and garbage and snowclearing contractors. Please keep their well-being in mind.

Take care of yourselves. Stay safe. Stay healthy.

TOWN OF TRAYTOWN
