Street Lights

If you see a street light out please report it to the council office to have it repaired immediately. 533-2156 or townoftraytown@eastlink.ca

Water and Sewer Project

Traytown was unsuccessful this year in obtaining funding to carry on with the next phase of the water and sewer project. With the Provincial election to be called any time after the Municipal elections let's inform our candidates what Traytown needs to carry on with the water and sewer system. The water that has been provided by the town to so many of the residents have nothing but excellent reviews.
